WELCOME

With a domestic headquarters in San Diego and corporate offices around the world, Chef Works® has achieved an unrivaled global reach with distribution in more than 70 countries. Through pairings with culinary giants and hospitality influencers, we've crafted a line of apparel that is durable, functional and fashion-forward.

We dress a diverse range of clients, including back of the house, waitstaff, international hotel chains, award-winning restaurants and bars, culinary schools, food service companies, laundries, assisted-living facilities and upscale cinemas.

**Chef Works® is Always By Your Side.**

## GUIDE TO FABRIC ICONS

100% cotton • Longer garment lifespan • Pre-shrunk for accurate fit • Luxurious & refined feel for extreme comfort • Silky texture & appearance

Wicks heat & moisture away from skin • Allows cool air back through to body • Encourages evaporation • Cool & comfortable • Award-winning fabric technology

Street-inspired line of culinary apparel • Bold striped patterns, lightweight dual tone denims, unique fabric finishes • New twists on traditional classics • Cutting-edge • Affordable • High-quality

Modern hospitality apparel • Elegant, functional apparel • Time honored design and innovation • Performance fabrics

Athleisure inspired work wear • Minimalist silhouettes • Breathable and comfortable • Recycled knitted mesh • Unmatched stretch and freedom of movement

Fine twill fabric • Comfortable & lightweight • Available in a variety of colors

Made from 100% cotton • All natural fibers • Comfortable and breathable

Special washes & treatments used to create this unique garment may cause a fade & change the color with wash & wear • Wash separately before wearing • Use a warm iron to remove wrinkles on the back side of the garment

Stretch-to-fit • Breathable fabric • Comfortable & lightweight

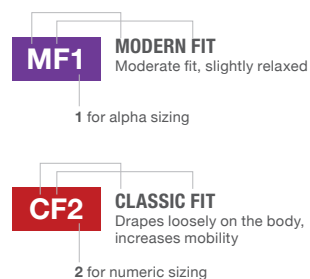

Recycled fabric from plastic bottles • Sustainable products • Performance fabric

CHEF PHILLIP HUMPHREY

BRISTOL CHEF COAT

Every chef coat is a tribute to the chefs who wear them, reflecting their passion, resilience, and commitment to culinary excellence. It's about giving chefs what they need — with features like Cool Vent™ technology that keep them comfortable from the heat of the rush hour to the quiet prep time before service begins.

# A FAMILY AFFAIR

**Jet Tila**, often recognized for his appearances on popular cooking shows, is a celebrated chef with an impressive culinary background. However, what truly sets Jet Tila apart is how he and his family (Jet, Ali, and their children), embrace cooking as a shared experience.

**Ali Tila**, Jet's wife, is not merely a supportive presence but also an active participant in the families culinary adventures. A passionate cook herself, Ali adds her own flair to the kitchen, and together they blend flavors that reflect their shared love for food and family.

## FAMILY BONDING THROUGH FOOD

Taking social media in stride, The Tila's, have embraced social media by sharing their culinary and family adventures. From Instagram worthy snapshots of their creations to cooking tutorials and fun challenges, the family opens a window into their kitchen to a global audience. Together Jet, Ali, and their children have turned their kitchen into a hub of creativity, love, and culinary exploration. The Tila's family proves that the simple act of coming together around food has the power to create lasting bonds that celebrate family life.

# SUSTAINABILITY AT CHEF WORKS®

Sustainable Solutions, Stylishly Delivered.

## Why work with us as your partner in sustainability?

### Establish a sustainable image:

Develop a uniform program that commits to sustainability and positions you as a leader in eco-conscious initiatives within your industry.

### Experts in sustainable solutions:

With a proven track record of implementing uniform solutions, we can offer innovative solutions that promote sustainability without missing on style or functionality.

### Commitment to social responsibility:

We are dedicated to social responsibility, ensuring fair labor practices and ethical standards are upheld throughout our supply chain.

### Seamless program management:

Our dedicated team of experts is committed to crafting the perfect uniform for you. Partner with Chef Works®, where excellence is not just a goal, but a commitment to your success.

Here at Chef Works®, we're committed to spearheading sustainability in an industry that desperately needs it: **the fashion industry.**

According to the UN Alliance for Sustainable Fashion, fast fashion is responsible for nearly 10% of global carbon emissions, a figure projected to double by 2030. As the premier provider in hospitality apparel around the world, we've reimagined our approach from the ground up, integrating sustainability into every area of our business. By prioritizing people and the planet at all stages of the product lifecycle, we empower you to meet your sustainability goals with every purchase. Chef Works® makes caring for the planet an easy choice.

Our sustainable line, crafted with Unifi's REPREEVE®, transforms recycled water bottles into innovative performance fabric, with each garment utilizing up to 17 bottles. As of April 2024, **Chef Works® has diverted 4.4 million plastic bottles from oceans and landfills**, empowering chefs to embrace eco-consciousness with every wear.

Our commitment to sustainability goes far beyond fabric. Our goal is to optimize every stage in our supply chain for the well-being of our planet & all who live on it.

**Recycled Polyester Fabrics**  
(RE:collection) of sustainable products. A forward-thinking approach to culinary and hospitality apparel.

**EcoVadis Bronze Medal**  
Assessed through four categories: Environment, labor & human rights, ethics, and sustainable procurement.

**Member of Sedex**  
Supplier ethical data exchange.

Look for the green "Made from recycled plastic bottles" tag.

## SIZING

Chef Works has the perfect fit for you. We've provided you with three easy-to-follow steps outlined below.

Please note our proprietary designs give Chef Works garments individual fits to allow for maximum comfort and function.

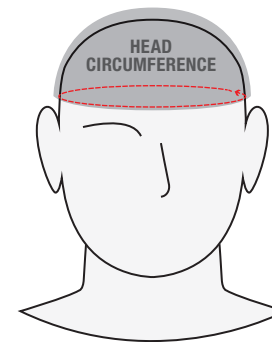

### FIND YOUR PERFECT FIT IN 3 EASY STEPS

**1** How do you want your garment to fit? Choose your fit from the color-coded fits.

**2** What are your measurements? All of our size charts refer to actual body measurements, chest, waist or hip.

**3** Match your measurements to our chart to find your size.

### HEADWEAR SIZING

Size	Circumference cm (min-max)	Circumference in (min-max)
One size	55 / 61 cm <sup>2</sup>	21.5 / 24 in
S / M	55 / 61 cm <sup>2</sup>	21.5 / 24 in
L / XL	61 / 66 cm <sup>2</sup>	24 / 26 in

## MEASURING GUIDE

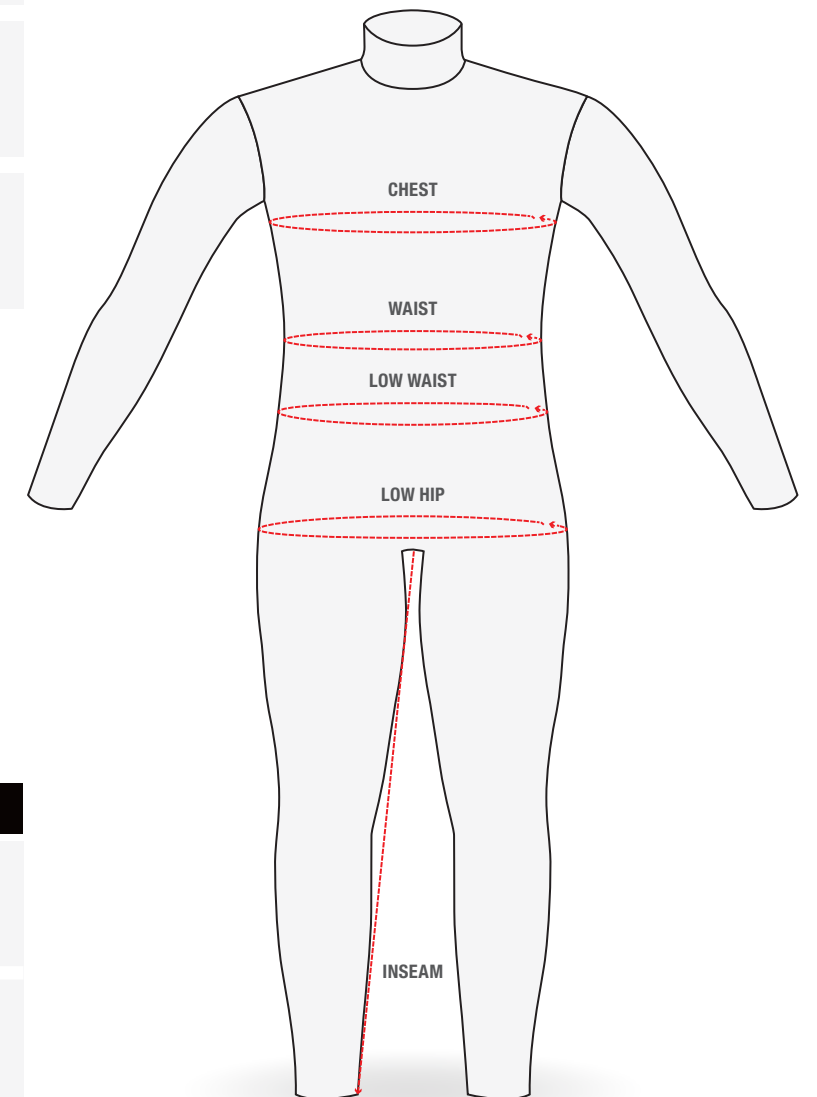

To find your size follow these instructions:

**CHEST:** Measure all the way around your body from the fullest part of the chest/bust with your arms down.

**WAIST:** Measure around your natural waistline.

**HIPS:** Measure around the widest part of your hips.

**INSEAM:** Measure from the base of the crotch to the bottom of your heel.
